

**ANN MARY SCHOOL**  
**UKG assignment**

**English:** Take two plates, sprinkle some flour on them. Now on the first one, finger trace 'An' and on the second trace 'A' . Pick five objects of the strong letters and place them around the first plate and any five objects of the weak letters around the second plate. Using A/An before them, name the objects .

eg: an apple , a spoon

\*\*\*\*\*

**Maths:** Spread a sheet of newspaper on the floor. Trace 10 circles and write numbers 21 to 30 on them. Randomly call out a number. The child steps on that number and claps as many times as the number written. Repeat till all the numbers are done. In your notebook write nos.1 to 30.

\*\*\*\*\*

**Hindi:** On a sheet of paper trace 6 more circles and write the last set of व्यंजन- ष से ञ on them. Colour them with different colours. Cut them. Now you have the complete वर्ण माला. Save the circles for further activity.
