

## Ann Mary School UKG Assignment-4

**English :-** 'I spy' guessing game.

Use a collection of objects on the mat or objects around the room.

Do not use the letter names for the game .Use the sounds of the letter: a - ए , b- बे, c- के .....

Parent chooses an object within sight and starts the game by saying," I spy with my little eye, something beginning with the sound of ....( फ़ in case they choose fan). The child attempts to guess, if he/she fails in first attempt then further clues can be given till the child gets the answer right. Parents can take turns finding the objects with the child. The game is aimed to strengthen the phonetic sounds of the child.

**Maths:**

1. Stand beside something that is big.
2. Put three small things in a row.
3. Put a coin in one of your pocket and a soap in another.
4. Search for a picture of an elephant and draw an ant next to it.
5. Hide something small and ask your parents to search it.
6. Trace your hand and your parent's hand on a newspaper.
7. Show your parents something smaller than your cycle.
8. Put a ball on something big.
9. Touch something big and small at the same time.

Parents can guide the child regarding the size (big/small) of the objects as they go about the given task.
