

## Ann Mary School UKG assignment

**English:** Help your child to lay his/her lunch table. Let them arrange the table mat, plate, glass, bowl, spoon and so on...

As the child sits down for lunch ask them to form the sentence 'This is a .....' as he identifies each object in front of him.

Parents can explain that when an object is near/ closer to them, we start the sentence with, 'This is a/an.....'.

Child can practice writing two sentences.(Parents can help them with the spellings)

\*\*\*\*\*

**Maths:** Make 10 cutouts of any shape. Write nos.31-40 on them. Stick them on the wall. Now throw a ball/balloon towards it. Recognise the number and say it loudly. Repeat till you have completed all the numbers on the wall. In your notebook write nos. 1-40.

\*\*\*\*\*

**Hindi:** Gather the वर्णमाला circles (क से ज्ञ) that you had saved from the previous activity. Now spread them on the table and arrange them all in an alphabetical order. Looking at letters above you can write the वर्णमाला (क से ज्ञ ) in your notebook.
