

Ann Mary School
Class I

Maths :- In last assignment you practiced counting in tens. Now for the similar exercise take two empty bowls and some seeds of chickpeas (chana). In one bowl count and add 10 seeds of chickpeas and in 2nd bowl add 1 seed of chana and count it as 11 , then add one more seed and count it as 12 . Like this add till 9 seeds and count it as 19. Practice counting saying 1 full bowl of 10 + 1=11 , 1 full bowl of ten + 2 =12 ...till 19 . Now write numbers from 11 to 19 in tens and ones .

eg : 1tens and 1ones =11

English :- Note down the given poem

‘I Am Lucky’, and learn it . Also draw and colour the animals mentioned in the poem.

.....

I am lucky

If I were a butterfly 

I would be thankful for my wings

If I were a mynah in a tree

I would be thankful That I could sing 

If I were a fish in the sea 

I would be thankful that I can wriggle and giggle with glee.

So , I just think I am lucky to be “Me” & Not “You” but “Me”.

Hindi :- अपनी notebook में 6 गोले बनाएँ ।

हर गोले में दिए गए रंग भरें व रंग का नाम लिखें ।

Write a) the number of weeks in the whole year, b) the month, date and day of all the national festivals c) the birthdays of your family members. On which day will Children's Day fall this year and find out what is special about it?

Class IV

English: Draw and colour your house, label all parts of your house. Write two sentences about one object from each part of your house using articles- **a, an, the**. For example: Fridge: (1) A fridge is something that keeps things cold. (2) An ice cream is kept in my fridge.

Hindi: जिस कहानी को पढ़कर आपने प्रश्न बनाए थे। उसमें से दो दो संज्ञा, सर्वनाम, क्रिया, विशेषण छांटकर उनके वाक्य बनाए। (As a continuation from the previous assignment, find 2 each of the following noun, pronoun, verb and adjective from the story read. Make sentences of your own from each of them.)

Mathematics: Write numbers 1 to 100. Circle the numbers which can be divided by 2 with red colour. Now cross out the numbers which are not circled. The circled numbers are even numbers and the numbers which are crossed out are called odd numbers. Write the smallest and biggest odd and even number. Count and write the number of even numbers between 10 and 51.

Class V

English: This is a page from Mr. Sharma's travel diary: I have been walking for **three** hours and my feet are tired. As I rest, I realise that there aren't enough pages in my diary to describe this beautiful place. Some cowherds are grazing their cows on the green pastures. The paddy fields are being ploughed with bullocks. The women of the village are colourfully dressed in red and orange. Their huts look simple and clean. Outside the huts, some children are playing. Life is simple and happy here. List the adjectives in the paragraph and write what kind they are. Eg: Three-numeral/ number.

Hindi: .जिन शब्दों से किसी कार्य के होने या करने का बोध हो उसे *क्रिया* कहते हैं । सुबह से लेकर रात तक आप क्या-क्या क्रियाएं करते हैं , इस विषय पर एक अनुच्छेद लिखें तथा क्रिया शब्दों को रेखांकित करें। (Words that show action are known as verbs. Write a paragraph of the activities that you do through the day and then underline the verbs in your sentences)

Mathematics: Divide your daily routine into fractions of **sleeping, physical activity, eating, studying, extra reading, watching television and video games**. Also represent each activity in pictorial form.

Eg: Sleeping- 8 hrs. Fraction form- $\frac{8}{24} = \frac{1}{3}$. Pictorial form:
