

ANN MARY SCHOOL
HOLIDAY HOMEWORK
SUMMER VACATION-2024
CLASS I-(A,B,C,D,E,F)

Dear Children,

It's time for a break. Time to nurture your bond with friends and family by planning interesting summer trips, drinking fresh juices, spending time near the beaches, reading some story books and playing some indoor or outdoor games. While having fun do a little bit of studies by revising your work covered so far. Also, do the following fun filled activities as a part of your holiday homework. Wishing you happy summer holidays.

ENGLISH-

(A) Read the following lessons from Oxford Reading Circle (ORC) and do the given work in your homework exercise book.

Lesson -3 Tom's Parrot

Lesson- 4 The Balloon Man

1. Draw the Balloon Man and write down the colours of the balloons mentioned in the story.
2. Draw, name and colour one object each, that is of the same colour as the balloons mentioned in the story.

Example –green balloon – green grasshopper.

3. Choose any 3 new words from the lesson mentioned above and make a sentence of your own .
4. Do activity given on the page number 10 and 16 in Gem's English Reader Practice Book-1

Learn the given poems-

1. Clouds page - 27 (Gems English Reader)
2. The Park page -14 (ORC)

MATHEMATICS

Do the given work in your math homework exercise note book-

1. Write forward counting from 100-200 (only once) under HTO concept.
2. Write the number names for the given numerals:-
 - a) 100, 104 ,105,106,107, 111, 112,113
 - b)114, 115, 171,189, 190,199, 200.
- 3 In the Mental Math book do the given worksheets– 4,11,14 , 20&49.

ENVIRONMENTAL STUDIES-

1. Play with self-created puzzle game made by you using vegetable printing technique.

2. Sense organs help us to see and understand the world around us .

Play the Guessing Game at home with your parents and learn the importance of the sense organs in your day to day life.

Activity

(a) Using a soft scarf or handkerchief ask your mother to blind fold you and keep a few things in a tray to feel, taste, smell and hear. Now, guess the name of the objects by touching, smelling, tasting or by hearing. After the game is over do the following work in your EVS homework exercise book.

i) Draw and name any 4 things you guessed correctly .

ii) Fill in the blanks with the right answer and circle the correct option given in the brackets using green colour.

1. With _____, I could smell the _____.

{ It was(fruit,floral,sweet,woody (good) / pungent, rotten(bad)}

2. With _____, I could feel the touch of _____. It was (hot / cold/ soft / rough)

3. With _____, I could hear the sound of _____. It was(loud/ pleasant/ unpleasant)

4. With _____ , I could taste _____. It was (sour/ sweet/ bitter/ salty)

(b) Name the sense organ which was not in use during the activity.

Ans _____

(c) Did you realize the importance of eyes during the activity? Yes or No

(d) Draw and colour the picture of eyes. Write one thing you should do to take good care of your eyes.

3. In the A4 sheet provided to you make a greeting card using the vegetable printing technique taught in the class.(tree,flower etc). Write your name, class and section and bring it to school after the holidays.
